

## 2023 Users Guide - Competitors

We have had many updates across the booking platform which, in the long run, is going to make things a lot easier for everyone throughout the season.

Our new tab, Registrations, is another term for the classes and championships that will be running here.

Please go to 'Competitors' on the Bugatti Owners' Club website - <https://www.prescotthillclimb.co.uk/competitors>

Go to 'Manage Entries' and log in. If you have forgotten your password, please click 'reset your password here'. If you have changed your email address since you last logged in, you will need to call the office and let us know of the change, otherwise you will not be able to log in or change your password, as our system will not recognise you as a registered competitor.

Once logged in, you will need to click on 'Registrations' in the top ribbon, and then click 'Register Now' on the class you want to enter. If you are running in multiple classes throughout the year, please select all the classes you are entering.

Description	Organising Club	No of Rounds	Fee

You will need to enter your vehicle details for each championship, because our system is designed to accommodate people who run different cars for different classes.

For registration information you will need to select the applicable. If there is no class structure and it is just the one class for a championship, you will need to select 'one class or class not yet applied'.

**Registration Info**  
Select/confirm your class, enter any team sponsors and if applicable a preferred car/race number (not applicable to speed or hillclimbing)

Class:

**Confirmation**  
Please double check all details. Then tick the checkboxes to confirm that you have read and understood any club and championship/series/entry regulations.

If your championship or class has multiple options, for example the BOC Handicap Classes have Sports, Race, Saloon and Pre-1947 classes you will need to select the relevant one for the vehicle you are driving that day. Then you will need to tick the confirmation, and then click 'Register Now'.

Once this has been done, you can then go to 'Enter Event' in the top ribbon.

Now you will see events during which your championship or class is running at, and will be available for entry. You must tick the box/es to enter the events.
